EXPERIENCE

Innovasium

04 / 2013 - Present

Web / App Developer

Even balance between front and back-end development, using HTML5, CSS3, AngularJS, jQuery, PHP and SQL, as well as Custom CMS and Wordpress.

Clients I have worked with include: Almira Fine Furniture, HealthWise and Allergan Canada.

Stephan Conzen

04 / 2012 - 08 / 2013

Freelance Web Developer / Designer

Creating minimal blogging platform using github pages, eliminating the use for a database like many other Content Management Systems are bound to, such as Wordpress or Joomla. Used Jekyll, HTML5 and CSS3 to build templates, and simple yet powerful Markdown to focus on content styling.

Video Game based fan site for World of Warcraft to: Manage characters and view statistics. Look up connected and merged servers.

Durham College

04 / 2012 - 02 / 2013

Frontend Developer

Front end developer and designer for a Health Industry related Web Application.

Tools used: j2ee, postgresQL, Photoshop, rich-faces, jquery and prototype.

Campus Walk

10 / 2011 - 04 / 2012

Campus Safety

Campus Walk service is provided by trained student teams which will, on request, provide accompaniment to students, staff or visitors to their car or residence or other campus locations during weeknights.

Dollco Integrated Print Solutions

05 / 2011 - 09 / 2011

Stacker

Worked as part of a team on a Harris 3000, using a stacking machine to prep printed material for the bindery department. I also helped on routine maintenance of the Harris 3000 such as washing blankets, changing rolls and webbing up the press. I was also responsible for cleaning the general area around the press such as, ink, silicone and oil spills.

Canadian Tire

09 / 2009 - 07 / 2010

Sales Representative

Hardware, Sports and Seasonal, Automotive departments. Phone support, Customer Service.

Interxion

08 / 2007 - 06 / 2009

IT Systems and Electronics Apprentice

International Customer Service. IT connections. Electrical and maintenance work. Security system installation (security card readers and magnetic door locks)

EDUCATION

Durham College
